

MOLLY'S AWARD

Outstanding 4-H Dog Project Member Award

This award is in memory of Molly, a cocker spaniel who was a loyal companion, and with her owner made a great team. Molly loved to work and show with her owner, and what they accomplished, they accomplished as a team with hard work and great love and respect for each other. This award is sponsored by her owner, Shelby Jensen and Shelby's parents, Randy and Lisa Jensen, in remembrance of Molly and to recognize a 4-H dog project participant and his/her dog who have had an outstanding year in 4-H.

The applicant will be chosen not specifically on ribbon placement or awards won; but on their involvement and dedication to the dog project; on their dedication to their dog; on their participation at practices and county show; on their enthusiasm for learning; and on their personal growth as portrayed in this application.
