New 4-H Year

Paper Clovers Tractor Supply Company

TSC has yet again partnered with 4-H to offer the Paper Clovers fundraiser! Tractor Supply proudly began their partnership with 4-H in 2010 and have since helped raise over \$14 million through the Paper Clover fundraisers. The success of these campaigns has impacted over 69,000 students by providing them with hands-on learning experiences through projects in STEM, agriculture, healthy living, and civic engagement. 100% of funds raised through Paper Clover fundraisers directly benefit 4-H and the kids and teens involved - 90% of donations directly support 4-H youth in the state it was raised, and the remaining 10% supports national 4-H programming. Paper clovers will be available October 6th through October 17th

The new 4-H year (2021-2022) begins October 1. Members can start re-enrolling in 4-H Online 2.0 anytime after October 1. Members do need to re-enroll every year. Returning members— please do not set up a new profile!

Club leaders & Volunteers— don't forget to re-enroll, too! You do not have to complete a new volunteer application but do need to pay the \$10 fee by December 1 2021. Checks payable to Clay County 4-H Leaders Association

If you have questions about enrollment/ 4-H Online contact the Extension Office we have help sheets available.

National 4-H Week

National 4-H week is coming quick it will be October 3-9 2021. The theme is "Find Your Spark!" Start thinking about how you or your club can promote 4-H in your community, school, church, etc. If you need promotional supplies or materials, please contact the office. We are able to print several things from the national 4-H website. If you do promote 4-H in some way, please send photos to the office to be highlighted in the next newsletter.

Happy Birthday

4-H Curriculum Corner: Woodworking

This curriculum will teach specific woodworking skills such as how to measure angles, use a circular & table arm saw, & how to sand & stain wood. Level 1 is a great foundation for the skills & basics of woodworking, including measuring, squaring & cutting a board, driving nails, & using clamps & screws. In level 2, skills include how to use advanced hand & power tools, apply finish, & use bolts & staples. In level 3, learn to cut dado & rabbet joints, use saws, & smoothing lumber with a hand planer. Level 4 skills include using a router, portable planer & jointer, making a blind mortise & tenon joint, making dovetail joints, & experimenting with adhesives & various chemical wood strippers.

Available:
Helper's Guide
1: Measuring Up
2: Making the Cut
3: Nailing It Together
4: Finishing Up
Take one or all; photocopies
can be made!

Each month, we will be highlighting a 4-H Curriculum that is owned by the office. Most will be available for free on a first come, first serve basis. These are a great way to learn about different project areas, earn pins, for club activities or to do on your own. If you complete 7 activities in one book, plus one finished product, it can be used as a project to be entered at the fair.

PASSION CREATIVITY INTELLECT CONFIDENCE

10 Ways to Celebrate National 4-H Week

1. **Host a 4-H Rally** - With permission, host a 4-H rally at a school or community center. It's a great way to bring the community together to celebrate and show the pride of your local 4-H program
2. **Give Back** - Local programs are always looking for resources to continue growing the programs. Help programs like the Flying Squirrels or Green Turtles (not real clubs, by maybe) thrive by making a donation that can help provide supplies to kids in the area.
3. **Wear Your 4-H Gear** - Nothing says 4-H pride like a 4-H tee! Dress yourself (or the entire family – pets included!) in 4-H green and clover gear, available at Shop 4-H.
4. **Set Up Information Booths** - If your local grocery or hardware store allows, set up a table to share information about your local 4-H program. You can display 4-H posters, hand out flyers, or showcase the work of local 4-H'ers.
5. **Shout-Out a 4-H'er** - Kids love 4-H. They enjoy the time they spend with 4-H friends, look forward to their next 4-H meeting, and plan all year to show off what they've learned. Recognize the hard work and dedication of 4-H'ers by shouting out one or an entire club on social media.
6. **Storefront Displays** - In some communities, you can ask local businesses to display 4-H posters. Many may be willing to dedicate their entire storefront to 4-H signs, memorabilia, and décor for the week.
7. **Become a 4-H Volunteer** - If you are a 4-H alum, you might be looking for ways to reconnect with 4-H. Consider giving your time to a local 4-H club by becoming a volunteer.
8. **Share Your 4-H Story** - Take to social media to share a 4-H memory, express how 4-H shaped who you are today, describe what 4-H means to you, post an old 4-H photo, or shout-out your 4-H club. Use and follow the hashtag #InspireKidstoDo, share your story, or read stories similar to yours.
9. **Have a 4-H Reunion** - 4-H alumni often credit 4-H for the connections they've made, remembering the friends they made and those who they may still keep in touch with today. Gather your old 4-H friends and spend some time together reminiscing on your 4-H experience or recreate your 4-H project together!
10. **Send a 4-H 'Thank You'** - We all have a reason to thank our local 4-H leaders. Whether you grew up in 4-H, you have kids in 4-H, or you've witnessed the positive work of 4-H in your community, send a 'thank you' note to your local Extension/4-h office to show your appreciation,
